Dedication

Last autumn brought to the Lions one of the greatest football teams that have ever worn the Green and White. From the muddy battle with Ennis to the finale with Arlington Heights, the Forest football squad fought hard to win for the first time in eighteen years the city championship. Long will the student body of Forest High remember this team, both coaches and boys.

The golden trophy won by the 1947 Lions will shine far into the future. When any of these boys visit Forest, gazing at this trophy, they will be able to hear familiar cheers and remember the games they fought victoriously for Forest.

So to every fighting one of them — coaches Leroy Crabtree, Virgil Mattingly, R. J. Edwards, and the football team — the staff is proud to dedicate the 1948 **Forester.**

Our Principal

JAMES T. WHITTLESEY

B.A., M.A.

Mr. Whittlesey is walking under the arch with his charming valentine, Mrs. Whittlesey, to the military ball on February 14 in the gymnasium. Having shown always great interest in school social activities, Mr. Whittlesey is considered by both faculty and students to add sparkle to parties, dances, banquets, and other social gatherings. The presence of his charming wife adds much to the occasion.

If chimes are suddenly heard coming from nowhere, all of the students instantaneously recognize them to be made by our beloved principal and friend, Mr. Whittlesey, on the public address system, preceding the daily announcements. His voice rings clearly through the classrooms, and sometimes a touch of humor brings a chuckle from teachers and students.

Among Mr. Whittlesey's duties is his correspondence. Here he is seen dictating a letter to his efficient secretary, an addition to ths year's office force, Miss Joan Moffitt. Our principal is often called upon to write letters of recommendation to schools and places of business for Foresters and ex-Foresters. He gladly responds, because he takes pride in the work of Forest students.

Watch out, Miss Meriwether, Johnny might not be sick after all! This is one of the typical daily scenes after the subsiding of the storm of students desiring admit and tardy cards. Miss Meriwether is ever ready to help a student who needs good advice. Her two secretaries, Mrs. Brady and Mrs. Smith, keep an efficient record of excuses, tardinesses, and absences.

MISS SARAH E. MERIWETHER
Dean

Besides teaching algebra, Mrs. Brown spends her day "getting seniors graduated." Here she is counselling Doris Powell, a senior. She helps the senior choose the proper subjects, keeps a record of his activities, approves his scholarship applications, and guides him in college and vocational preparation.

Forester Annual Staff

All through the year, your FORESTER staff has had as its goal the publication of an outstanding yearbook. A glimpse of daily work of the staff would show students either reading copy, taking pictures, preparing write-ups, collecting ads, making dummies, reading proof, or doing many other tasks without which an annual could not have been put together.

Now that the book has been completed, we wish to say "thank you" to all who have had a part in its preparation.

For the co-operation of the following concerns, the staff is especially grateful: Wilkinson Printing Company; Southwestern Engraving Company; Harry Bennett, Photographer; Sears Photography Studio; Dean Daily, Photographer; and American Beauty Cover Company.

COBB, athletic director of Dallas high schools, has performed a great job since he began in 1929. ●RAYMOND MORRIS, all-state end and co-captain, was invaluable to the team because of his pass snagging ability and incomparable defensive work. ●HUBERT PARRETT, towering lineman, played at both guard and tackle and was a big factor in making Forest one of the two best defensive teams in the state. ●CHARLES CONNER, big all-city tackle and co-captain, did outstanding work on offense and defense.

●LEROY CRABTREE, head coach, offered not only football wisdom but religious fervor in piloting the Forest Lions to the title. ●VIRGIL MATTINGLY, assistant coach, molded the Green Wave line into a smooth working team which didn't allow a score to city opposition. ●CHARLES GREENHAW, center, one of the Lions' outstanding defensemen, teamed with Johnny Swartz to achieve the best center play in the district. ●PAUL DAVIDSON, end, was a hustler throughout the season, and his pass snatching ability was a distinct asset to the team. ●BILL PERRY, a big back, was a pass defense demon who could be counted upon to gain extra yards on line plunges. ●MURPHY WEBSTER, versatile back and co-captain, was, in many opinions, the best back in district 8-AA.

Forest

●GENE STOCKDALE, manager, an important cog in the football machine, saw to all uniforms and was forever busy at work. ●BILLY CLAY, hustling end, put the Lions into scoring position with spectacular catches and held the opposition on end runs. ●Although BILLY DEAN THOMAS, guard, was one of the smallest men in the line, his hustle and spirit made him one of Forest's best guards. ●BILL SHARP, fullback, lugged the pigskin for many valuable yards, was everywhere on defense, and kept the team in good spirits as an amateur comedian. ●JACK OGDEN, tackle, put the stop sign on many of the opposition's ground plays and was an able blocker on offense. ●PAT FERRELL, guard, was one of the main reasons why Forest did not give up a score from scrimmage until the tenth game. ●JEROME ZABOJNIK, fastest back in Dallas, was a wizard on defense. ●HAROLD ROBERTSON was an elusive broken-field runner with plenty of speed and hustle. ●BOBBY CLAY, scrappy guard, combined offensive and defensive ability to bring misery to all opponents.

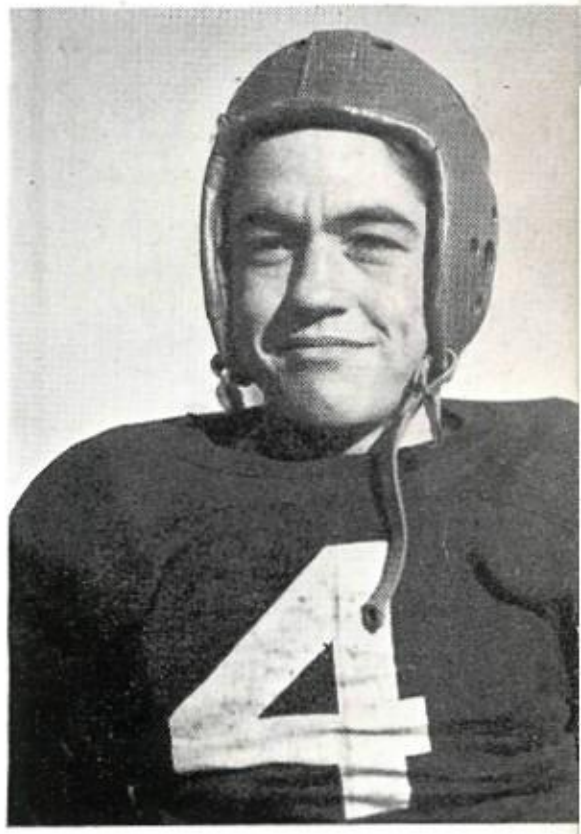
Lions



●RALPH REYNOLDS, hard running back, could always be depended on for extra yardage. ●STANLEY GREEN, guard, played great defensive ball and was best against the better clubs. He was on the second squad on the all-city selection. ●JULIAN BRADDOCK, speedy end, added zip to Forest's offense with his smooth pass catching and blocking. ●JOE CANNON, halfback, consistently managed to wiggle through for a needed yard or two. His passing and punting ability made him the great little player he is. ●JOHNNY SWARTZ, all-city center, sparked the team with hustle and spirit. His punting was sensational; and his linebacking, terrific. ●BOBBY TRENT was an excellent breakaway runner as well as a good pass catcher. ●All-city quarterback, LEROY COLLIER, pushed our team into the winning column with his excellent passing and outstanding defense work. ●RICHARD CONNER, burly tackle, brought havoc to all opposing lines on both defense and offense. Dick was a hustler all year long and ran his big brother a good race for the tackle spot.

First String Eleven

Forest 0 - Ennis 0

Against a tough Ennis eleven the Lions struggled through 48 minutes to a scoreless deadlock. Both teams showed great defenses, and ball handling was remarkable considering the drizzle in which the game was played.

Forest 0 - Denison 0

The Denison Yellow Jackets were held scoreless by the Lions September 25 in one of the most thrilling games of the season. The line showed brilliant defense, and the offense clicked on several attempts but could not sustain a scoring drive.

Forest 18 - Tyler 7

The Green Wave rolled over the Tyler Lions October 3 at the Tyler Rose Festival. Collier to Braddock accounted for two scores. Webster added six more points around right end; Dick Hightower intercepted a pass from Joe Cannon and scampered 70 yards for the Tyler score.

Forest 13 - Highland Park 0

The Scotties were clawed pitifully by an inspired Lion eleven on October 9. In the first half Webster raced around right end and streaked 49 yards to the goal. After Collier's completion to Morris, Webster again tallied. This was the first shutout loss for the Scots in seven years.

Forest 0 - Sunset 0

The Lions waged their third scoreless duel against the strong Bisons on October 25. The Green Wave muffed two scoring chances by losing the ball on a fumble and a pass interception. The only serious Bison drive was stopped by Braddock's recovery of a fumble.

Forest 6 - Woodrow 0

The Wildcats met with trouble when they tried to defeat the Lions, October 31. In the first half, Collier passed to Morris, who showed a burst of speed to the goal line. This spectacular play made 50 yards. Although the Wildcats stormed back they could not get by the strong Lion defense.

Second String Eleven

Forest 13 - Crozier Technical 0

Staying in the win column was no easy matter for the Lions when they met the Tech Wolves November 7. A pass from Collier found its mark in the arms of Braddock for the first marker. The Lions then carried on a 60-yard drive to the Tech two, where Webster made the score 13-0.

Forest 0 - Adamson 0

Again the scoreless jinx struck the Green Wave as they fought the Leopards to a deadlock at Dal-Hi November 20. From beginning to end the game was very evenly fought. Perry was leading ground gains for Forest with 61 yards to his credit.

Forest 0 - North Dallas 0

Probably the most exciting game of the season was waged between the hard-hitting Bulldogs and the Lion eleven on November 26. Johnny Swartz pulled the Lions out of the hole several times with his great punting. Early in the game the Lions moved to the North Dallas one-yard line but were unable to score. The Lions also showed their defensive ability when they held the Bulldogs by a matter of inches.

Forest 6 - Arlington Heights 23

The Forest Lions barged into Fort Worth as representative champions of District 8-AA on December 5, with one of the most unique records in the state. They were one of the five unbeaten teams in the state, and had only one touchdown against them. The shifty Yellow Jackets struck pay dirt in the first period on long runs through the Forest line, but the determined Lions came back in the next period with a number of passes that ate up seventy-seven yards and a touchdown. The last half running attack was just too much for the Green Wave and the final gun marked the end of the most successful season in eighteen years for the mighty Lions.

An inexperienced Forest basketball team, coached by Milton Frey, went through a dismal season. The Lions were handicapped when the only returning letterman, Julian Braddock, graduated at midterm.

The season started when the quintet defeated Commerce, Texas, 29-22, in the Ashburn General Hospital Invitational Tournament. But in the finals the Foresters were defeated by Plano 45-16. In the Dr. Pepper Tournament the Lions lost to Waco and to Highland Park.

In the closing game of the city race, the Lions showed marked improvement. The team trailed North Dallas by a few points during the game, and, when the final whistle sounded, the score was 37-37. During the overtime period the Lions were unable to keep up with the pace of the Bulldogs and the game ended 43-42.

Bobby Horn, high point man for the team, will be among the lettermen who show promise for a good season next year. Other returning lettermen are Paul Scherzer, Pat Ferrell, J. V. Vick, Donald Beach, and Pat Kelley.

Third Row: Bobby Clay, Travis Tolley, Hubert Parrett, Neal Vick, James Bartlett, Woodfin Pruitt, Bill Clay, Raymond Morris.

Cinder Men

Forest's Cinder Men are justified in looking forward to a city title because they have two returning lettermen, Jerome Zabojnik and Murphy Webster. Last year the Lions tied for third place with Tech in the city meet. Zabojnik placed first in the 220-yard dash and second in the 100. Robert Beasley placed second in the low hurdles. In the Fort Worth Fat Stock Show Meet, with the help of Robert Beasley, second place winner, Zabojnik, Webster, and Sharp, the Lions finished sixth among 100 schools participating. Robert Beasley bettered the low hurdles record in a triangular meet with a time of 22.4.

The Lions entered 25 men in the 1948 Fat Stock Show March 19 at Fort Worth. Forest failed to qualify for the finals in any event but came in sixth in the mile relay with Bobby Clay, Murphy Webster, Bill Clay, and Bill Sharp carrying the baton. Jerome Zabojnik was short of qualifying in the 220-yard dash by a tenth of a second. These trackmen would have done better had they been in shape, but rain hampered training. Austin won the meet with 25 points and Corpus Christi came second with 17. The state record was broken in the pole vault and the discus throw.

In the first triangular track meet March 23 the Lion squad competed against North Dallas and Crozier Tech. The Bulldogs totaled 74 points to win top honors. Jerome Zabjonik was second high-point man of the day, placing first in the 100-yard and 220-yard sprints. Murphy Webster took first in the broad jump. The 440-yard relay team—Webster, Sharp, Morris, Zabjonik—came in second. Others who placed include Raymond Morris, discus throw; Bill Sharp, 100-yard dash; and James Bartlett, mile run.

Sand Lotters

The fighting Forest Lions opened the 1948 season by defeating Jesuit 7-6 and North Side of Fort Worth 8-7. In a practice game a mighty Waxahachie club walloped the Lions for a 11-4 defeat.

In the second game with North Side the Lions slammed out a 4-1 victory. The only score for the cow town boys was made when Yale Larry hit a home run over the left field fence. Joe Cannon, pitcher, knocked in two runs, and Johnny Swartz and Roy Hall drove in one apiece.

The Green Wave team, which has long ranked high among the state's best clubs, finished the '47 season in a tie for second place. The Lions lost only to Adamson 6-0 and 2-0 and to North Dallas 5-4 and 4-2. Johnny Swartz, catcher, and Fred Tillery, pitcher, were named on the all-city team.

In the American Legion Tournament the Lions lost a thrilling game 6-5 to Adamson after eighteen innings of tied ball. Joe Cannon was the pitcher in this championship game. Joe Cannon, Johnny Swartz, Roy Hall and Paul Camp are the returning lettermen on this year's team. Other men who saw considerable service on the team were Ralph Reynolds, Tate Milner, Donald Smith, Jimmy Marlow, Leroy Tasker, Billy Don Taylor, Leland Dixon, Leroy Collier, and Tommy Fraley.

Following in his brother's footsteps, Jerry Holmes captains the Lion linksmen for the 1948 season. Other members of the team are Melvin Cohen, Joe Rener, Ralph Reynolds, Olen Rowe, and Johnny Swartz.

The city competition was very keen, with Sunset rated the leading golf team of the state. The golf team is hampered by the loss of experienced men, but may upset the prediction which slates them for the cellar this year.

On Saturdays the games are played at Tenison and Stevens greenways.

The team has lost its first four games 6-0 to Adamson, Sunset, North Dallas, and Woodrow Wilson.

Streamliners

The development of perfect bodies which was emphasized in the posture contest was extended to the gym and nutrition classes by means of the newly organized Streamliners Club for the first time this year. Only girls who come within five pounds of the weight set up by health survey as normal are eligible.

The main objective of the organization is to emphasize the need for the right kind of food in order to attain normal weight and nearly perfect bodies. The organization has brought to the girls the realization of the necessity of obtaining correct nutrition in achieving perfectly formed and healthy bodies.

Miss Segrist and Miss Thoene are supporting and conducting this worthwhile club. As a result there are and will continue to be more healthy and perfect physiques among the girls at Forest.

Hatter and Braddock Named Echo Sweethearts

Mary Frances Hatter and Julian Braddock copped the titles of "Echo Sweethearts" for the 1947 Fall semester with Vunita Stribling and Charles Connor running second. The election was held December 23 in the Cub Edition of the school papeer.

Julian, president of the 4A class also accupies a great part of his time with extracurricular activities. He was an ace end on the Lion starting line up in the victorious football season this year and is also star player on the basketball team. Though Julian is active in sports, his outside activities do not seem to interfere with his scholastic achievements, as he is an envied member of the National Honor Society.

Equally as active as Julian is Mary, who was president of her junior class and a cheerleader in the 1946 football season. She was again elected cheerleader in 1947 and was so popularly supported by the students that she now holds the coveted position of l... leader.

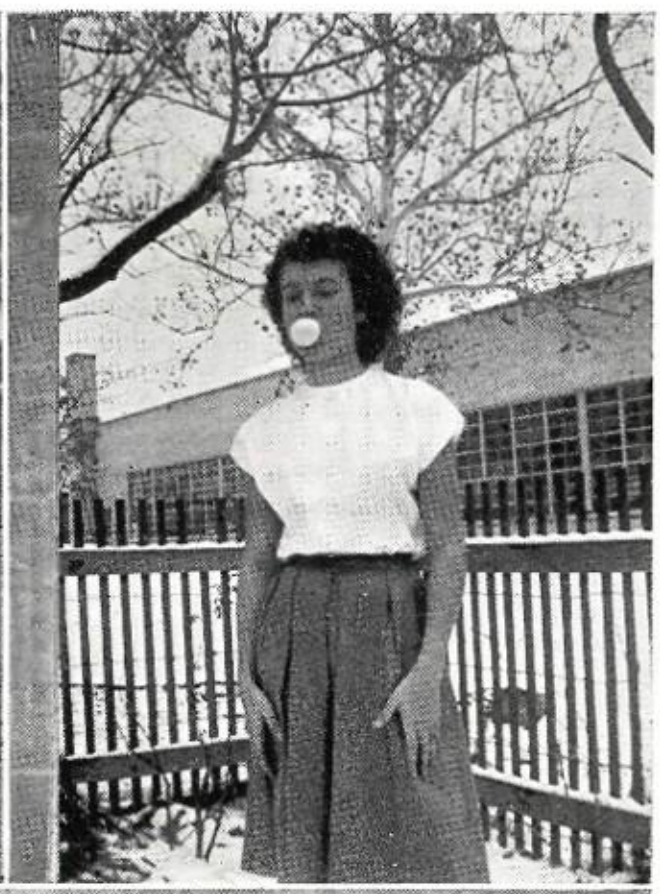
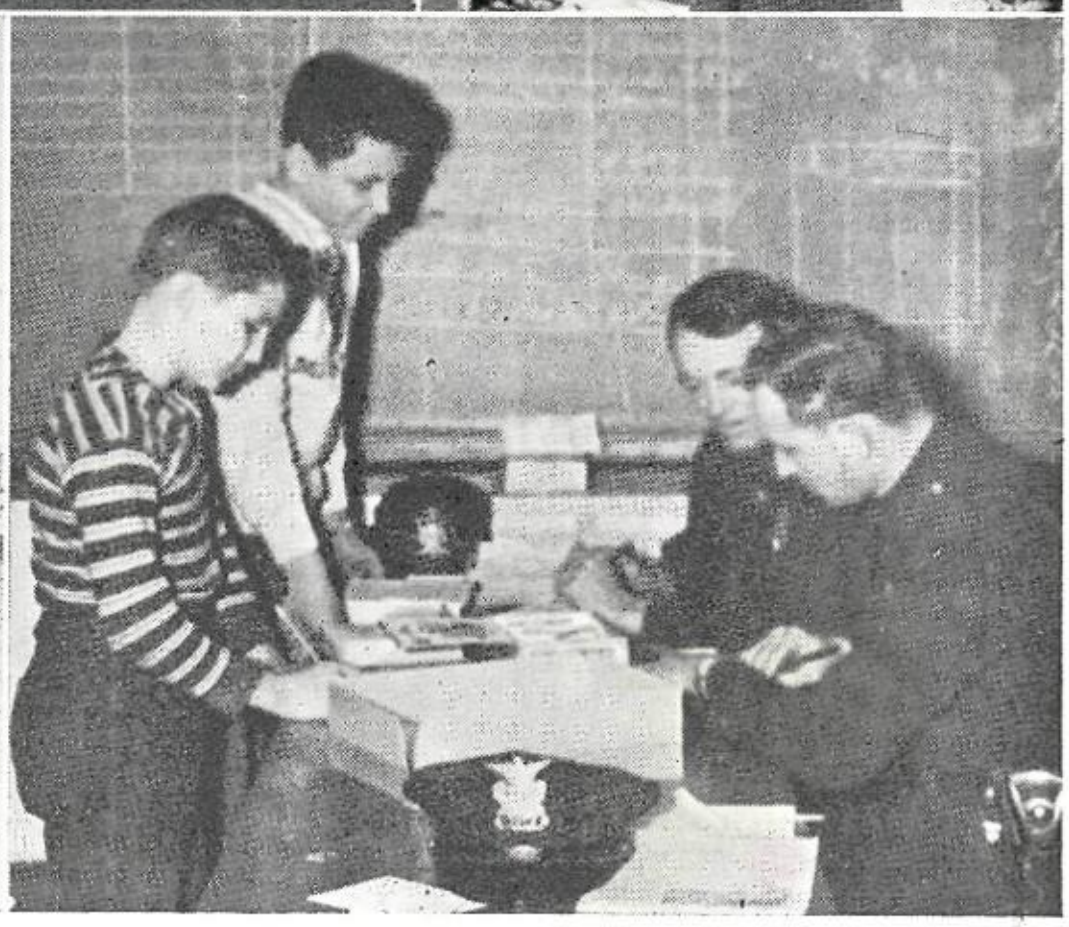
Leisurely digesting their food after lunch are Dollie McGarity and Barbara Deines . . . **Second Row:** "Fighting Lions Contest" is drawing crowds . . . Foresters taking advantage of High School Day at the Fair are Jane Phillips and Maury Soltes, Claude Smith and Jack Newell, Miss Berry, Peggy Smith and Ernestine Schultz . . . Judy Wyll on the National Honor Assembly . . . Margie Wheeler, Mildred Moses, and Bobby Joyce Tucker get some fresh air after lunch . . . **Third Row:** Now we know why the office is so crowded — just look at pretty Miss Moffit . . . Something fishy, could be Billy Schaerdel at Lake Texoma holding a ten-pound catfish . . . Watch out, Romeo Drewery Cowling; Juliet Marie Grubbs is going to fall for you . . . **Fourth Row:** There's that little boy again in study hall with George Smith. Remember that five-year old who darted in and out of classes and halls?

Top Row: At Emma Daisy Reed's party for the January '48 seniors are the graduate Frances Embry, Jeanette Fain, Mary Jane Guernsey, Emma Daisy Reed, and some futur graduates Tommy Fraley, Harold Robertson, and Joy Nichols . . . Seated are members o the present Journalism 2 Class, who are working on the Echo: Georgia Head, Billy Jea St. George, Ethel Reisberg, Thomas Hardin, Shirley Somer, Frances Evans, Carl Denni and Wanda Reckley. The modest one (with her back turned) is Betty Segal . . . **Secon Row:** Norma Haley, Macel Fowler, and Melva Little seem to enjoy working on th **Forester.** Do they always work that hard? . . . January '48 graduates on the Senior Da assembly singing their class song, "After Graduation Day" . . . That's Shirley Some strolling down Forest Avenue, eating her ice cream cone.

Top Row: Don't prick your fingers, girls! At the front table in Miss Matthew's Clothing 1 Class, Jane Harris and Minnie Lou Parsons prepare for their future as homemakers . . . "Oh, fudge!" say Bobby Clay, Neil Turns, Richard Macon, and Donald Smith. "Is that what the milk is for?" . . . **Second Row:** Mrs. Lankford, school dental hygienist, examines Mary Joy Bobbitt's teeth . . . Students trail reluctantly back into school after a brief fire drill during the sixth period . . . **Third Row:** Donald Smith cautions James Sparks, "Be sure it's level measurement!" . . . About to enter the Hall of State during the State Fair are Tommy Dell Jones, Betty Jones, and Margaret Hall.





Top Row: Student Council officers Sarah Skelton, James Sparks, Judy Wyll, and Wanda Jackson do not always wear such smiles. Wonder what new proposal somebody has thought up—elevators, maybe? . . . Snow on the ground, bubble gum, and Joy Jean Nichols . . . **Second Row:** Doris Gaston chats with one of Forest's favorite teachers, S. S. Hutchinson . . . Adeline Elam, beware! The lagoon is wet . . . Billy Shaw and Marvin Hoffman register their bikes with the police, stationed at Forest for the annual bicycle registration.
